Inkscape Training Course

Create vector visuals with free, open-source software

Duration: 2 days | Hours: 14 h

Remote • Sessions guaranteed from 1 registrant • 60% hands-on practice

DESCRIPTION

This Inkscape training teaches you to create vector illustrations and visuals with free, open-source software. Over two highly practical days, you get to grips with the interface and drawing tools, colour and typography, then progress to illustration and multi-format export. By the end, you are able to independently produce logos, icons and vector visuals without depending on a paid licence.

LEARNING OBJECTIVES

By the end of this training course, participants will be able to:

- Get to grips with the Inkscape interface
- Draw and edit vector objects
- Manage colour, gradients and strokes
- Work with text and typography
- Create an illustration or a simple logo
- Export in SVG, PNG and PDF formats

PREREQUISITES

- Be comfortable with the computing environment
- No prior knowledge of vector drawing is required

TARGET AUDIENCE

- Freelancers, non-profits, communication officers, teachers and anyone wishing to create vector visuals with a free tool.

DETAILED PROGRAMME

The training alternates between theoretical input and hands-on practice (approximately 60% of the time). The modules are built around practical exercises based on real-world use cases.

- Editing nodes and paths
- Boolean operations
- Patterns and clones

Module 3 — Text and illustration

- Text, styles and formatting
- Outlining and wrapping text

- Creating a logo or a pictogram
- Layers and project management

Module 4 — Export and file exchange

- Vector and raster formats
- Exporting in SVG, PNG and PDF
- Optimising a file for the web
- Good file-exchange practices

COURSE HIGHLIGHTS

- Focused on practice with around 60% guided exercises
- Option to work on your own files or projects
- Small group of 1 to 3 participants for personalised support
- Led by an expert trainer
- Certificate of completion provided

TEACHING METHODS

Format and Delivery

The training is delivered remotely via an interactive virtual classroom. It can also be delivered on-site, with content customised to match the needs of your professional project. The theory/practice split is approximately 40%/60%.

MFE-IT Ultra-Personalised Format

Each session accommodates between 1 and 3 participants, ensuring highly individualised support. A preliminary interview allows us to tailor the content to each participant's profile. Inter-company sessions are guaranteed from just 1 registrant (no risk of postponement except in cases of force majeure).

Skills Assessment

Throughout the training, the trainer assesses participant progress through multiple-choice questions, role-playing exercises and hands-on work. At the end, a certificate of achievement is issued to each participant.

Post-Training Support

For one month following the training, each participant can contact MFE-IT trainers with questions about implementing acquired knowledge. A response is provided by email or telephone within 48 working hours.

Accessibility

MFE-IT is committed to welcoming people with disabilities. Contact: contact@mfe-it.com.
